

MANAGEMENT SYSTEM CERTIFICATE

Certificate no.:
10000472242-MS-C-RvA-MEX

Initial certification date:
04 April 2018

Valid:
04 November 2021 – 04 April 2024
Expiry date of last certification cycle:
04 April 2021
Date of last re-certification:
19 August 2021

This is to certify that the management system of

Siemens S.A. de C.V. / Siemens Mobility S. de R.L. de C.V. & Siemens Postal, Parcel & Airport Logistics, S. de R.L de C.V.

Av. Ejército Nacional No. 350, Col. Polanco V Sección, C.P. 11560, Alcaldía Miguel Hidalgo,
Ciudad de México, Mexico

and the sites as mentioned in the appendix accompanying this certificate

has been found to conform to the Quality Management System standard:

ISO 9001:2015

This certificate is valid for the following scope:

Sale of products for control and automation systems and instrumentation, communication systems and sensors, electrical products, low voltage protection, measurement, control and distribution equipment, mechanical and electrical components, systems, equipment and devices for access control, circuit closed television, fire detection and suppression by clean agents, Control and Automation Systems and Building Instrumentation.

Commercialization and promotion of; products, applications and software for automation, surveillance, identification and control systems, industrial communication, process instrumentation, chromatography, power sources, stationary and industrial power transmission components, frequency converters, gear motors, low and medium electric motors tension.

Place and date:
São Paulo, 04 November 2021

For the issuing office:
DNV - Business Assurance
Av Alfredo Egydio de Souza Aranha, 100 -
Bloco D- 3º andar - Vila Cruzeiro, 04726-170,
São Paulo, SP, Brazil

Mauricio Venturin
Management Representative

Certificate no.: 10000472242-MS-C-RvA-MEX
Place and date: São Paulo, 04 November 2021

Development of solutions for the industrial, oil and gas sector, through the sale, administration and execution of projects, systems, products and / or maintenance services and post-delivery activities.

Sale of passenger and cargo transport systems and automated logistics systems.

Development of solutions for the industrial sectors of mining, Cement, O&G, Automotive and Sugar, through the sale, management and execution of projects, systems, products and / or maintenance services and post-delivery activities.

Sale and execution of projects, integration and commissioning of systems and solutions (including control and digitization), Retrofit and service for power generation for the industrial sectors of Mining, Cement, O&G, Automotive and Sugars, as well as services, spare parts and post-delivery solutions.

Sale of products for control and automation systems and instrumentation, communication systems and sensors, electrical products, low voltage protection, measurement, control and distribution equipment, mechanical and electrical components, electric motors and medium voltage frequency drive for Industry.

Certificate no.: 10000472242-MS-C-RvA-MEX
 Place and date: São Paulo, 04 November 2021

Appendix to Certificate

Siemens S.A. de C.V. / Siemens Mobility S. de R.L. de C.V. & Siemens Postal, Parcel & Airport Logistics, S. de R.L. de C.V.

Locations included in the certification are as follows:

Site Name	Site Address	Site Scope

Siemens S.A. de C.V - Balvanera	Km.8 Carretera Libre Querétaro-Celaya., Fracc. Industrial Balvanera. Villa, 76920, Querétaro, Querétaro, Mexico	Design, Manufacturing, Execution of Projects and Integration of systems and equipment in Medium and Low Voltage.

Lack of fulfilment of conditions as set out in the Certification Agreement may render this Certificate invalid.

ACCREDITED UNIT: DNV Business Assurance B.V., Zwolseweg 1, 2994 LB, Barendrecht, Netherlands - TEL: +31(0)102922689. www.dnv.com/assurance

Site Name	Site Address	Site Scope
Siemens, S.A. de C.V. - El Marqués	Circuito del Marqués Norte 45 Km. 195.5, Carretera 57 México Querétaro, C.P. 76246, El Marqués, Querétaro, Mexico	Design, Manufacturing, Execution of Projects and Integration of systems and equipment in Medium and Low Voltage.
Siemens, S.A. de C.V. - Santa Catarina	Libramiento Arco Vial, Km 4.2, 66350, Monterrey, Nuevo León, Mexico	Design and manufacture of residential and industrial low voltage switches and switches and low voltage.
Siemens, S.A de C.V. -Centro Logístico La Tijera	Camino a la Tijera No.1 Km 3.5, Carretera Guadalajara- Morelia, 45640, Tlajomulco de Zúñiga, Jalisco, Mexico	Storage and distribution of products for control and automation systems and instrumentation, communication systems and sensors, electrical products, protection equipment, measurement, control and distribution of low voltage, mechanical and electrical components, power transmission components stationary and industrial, low and medium voltage electric motors. Design, development, manufacture and commercialization of three-phase low voltage electric motors. Construction of equipment for low voltage control, control and automation systems for the mining, cement, O&G, Automotive and Sugar sectors
Siemens, S.A. de C.V. - Puebla	Calzada Zavaleta No. 5537, Ex Hacienda la Concepción Buenavista, 72176, Cholula, Puebla, Mexico	Solutions development for industrial and Oil and Gas sectors through the project sales, management and execution, system, products and / or services of maintenance and post-delivery activities.
Siemens, S.A. de C.V. - Vallejo	Poniente 122 No. 579, Col. Industrial Vallejo, C.P.02300, Alcaldía Azcapotzalco, Ciudad de México, Mexico	Design, Manufacturing, Execution of Projects Commissioning and After-Sales Service of: Protective equipment, measurement, control for digitalization of electrical networks, Repair and update (Retrofit) in medium voltage equipment and uninterrupted power systems (UPS) for the Industrial Sector.
Siemens, S.A. - El Salvador	Calle Siemens No. 43, Parque Industrial Santa Elena, Antiguo Cuscatlán, El Salvador	Sale, manufacturing, management, execution of projects, commissioning, distribution of products and services for control and automation systems protection equipment, measurement, control and post-delivery activities
Siemens, S.A. - Guatemala	Avenida Reforma No 9-55, Edif. Reforma 10, 3er Piso, Oficina 301,302,303, 01010, Guatemala, Guatemala	Sales, management, execution of projects, commissioning, distribution of products and services for control and automation systems protection equipment, measurement, control and distribution and post-delivery activities.
Siemens S.R.L. / Siemens Mobility S.R.L. - República Dominicana	Torre Empresarial Reyna II Suite 602, Av. Pedro Henriquez, República Dominicana, Dominican Republic	Execution of projects for passenger and cargo transportation systems, automated logistics systems.
