

# Certificate of Registration

OCCUPATIONAL HEALTH & SAFETY MANAGEMENT SYSTEM - ISO 45001:2018

This is to certify that:

Siemens Limited  
Smart Infrastructure  
Head Office (HO)  
Kalwa Works,  
R&D Building,  
Thane-Belapur Road,  
Airoli, Navi Mumbai, Thane 400 708  
Maharashtra  
India

Holds Certificate No:

**OHS 594151**

and operates an Occupational Health and Safety Management System which complies with the requirements of ISO 45001:2018 for the following scope:

Please see scope page.

For and on behalf of BSI:

Chris Cheung, Head of Compliance & Risk - Asia Pacific

Original Registration Date: 2020-03-16

Effective Date: 2020-03-16

Latest Revision Date: 2020-08-19

Expiry Date: 2021-12-15

...making excellence a habit.™

This certificate was issued electronically and remains the property of BSI and is bound by the conditions of contract.

An electronic certificate can be authenticated [online](#).

Printed copies can be validated at [www.bsi-global.com/ClientDirectory](http://www.bsi-global.com/ClientDirectory) or telephone +91 11 2692 9000.

Further clarifications regarding the scope of this certificate and the applicability of ISO 45001:2018 requirements may be obtained by consulting the organization.

This certificate is valid only if provided original copies are in complete set.

Certificate No: **OHS 594151**

## Registered Scope:

### SI RSS MA IN:

Design & engineering, supply, installation, commissioning and service of Control products and Systems including field devices, room automation and controls, SYS (systems), OEMs and fire safety products and extinguishing suppression systems, Building automation including building automation solutions, total building solutions (TBS), lifecycle management services and energy optimization solutions, Fire safety and security system including fire alarm systems, PA systems, evacuation systems, automatic extinguishing systems, intrusion and access control solutions, perimeter and video management systems, command and control systems.

### SI BP:

Design & Engineering, Manufacturing, Supply, and Technical Support for Building Products including Field Devices, controls, SYS (systems), OEMs & Fire Safety Products and Extinguishing Systems, Building automation including Building Automation Solutions, Total Building Solutions (TBS), Lifecycle Management Services And Energy Optimization Solutions, Fire safety and security system including fire alarm systems, PA systems, evacuation systems, automatic extinguishing systems

### SI DS:

Design & Development, Engineering, Manufacturing, Testing, Supply & Service of MV Circuit Breakers, Gas Insulated Switchgears, MV & LV Switch boards, PV Inverters, Bus Trunking, Ring Main Units, Compact substations,

Design / Engineering, Project & Supply Management and Services of Systems including GIS systems, MV Power Supply Solutions involving Power Equipments, Power Transformer, Circuit Breakers, MV/LV Switchgear on Turnkey basis, Future Grid Solutions involving Photo Voltaic Inverters, E- Charging infrastructure & Battery energy storage Solutions, services and spares for DS portfolio

### SI DG:

Design & Development, Engineering, Manufacturing, Testing, Supply & Service of Protection, Substation Automation, Telecontrol, Power Quality, Smart Grid and Energy Management panels, Customer Trainings.

Design / Engineering, Project & Supply Management and Services of Smart Grid Solutions, projects for SCADA/EMS/DMS control center, Smart Metering & Communication, Power system consultancy & software solutions, Energy business advisory, services and spares for DG portfolio.

### SI EP:

Research & Development, Design, Engineering, Manufacture and Dispatch of Low Voltage Switchgear products covering Motor Control Products, Power Distribution Products, Final Distribution products and related accessories.
