

EuroSkills is the biggest international skills event in Europe initiated by WorldSkills Europe. In EuroSkills 2016 over 500 young competitors from 28 European countries performed in 44 skills.

EuroSkills 2016 was held at the Swedish Exhibition & Congress Centre in Gothenburg and organized by WorldSkills Sweden in cooperation with the City of Gothenburg.

EUROSKILLS 2016

CERTIFICATE OF APPRECIATION

With this Certificate of Appreciation we recognize and appreciate the participation and contribution by

Siemens

in the fifth EuroSkills Competition in Gothenburg, Sweden,
1-3 December 2016.

With your dedication and high quality support you have in a significant way contributed to the European skills movement promoting skills excellence. Your great engagement support young people in pursuing their skills and inspire them to make use of their talents in a vocational career. And we thank you very much for your kind contribution!
